Texts: Introduction to the Prophets by Thomas Leclerc
The Prophetic Imagination by Walter Brueggemann, 2nd Ed.
The Bible

Content: This course is a survey of the writings of the Prophets. Over the weeks of the spring we will consider prophecy, the prophets, their writings, central themes, and highlight some major pericopes to discern the meaning within them.

Grades: Many short assignments will be given through the course of the spring based on the assigned reading. Together they will be compiled into a grade, of sorts. ☺
